

SRINIVAS COLLEGE OF PHARMACY

Valachil, Mangalore

RESEARCH GRANTS

- **Dr. E.V.S Subrahmanyam**, Department of Chemistry received project grant from **Rajiv Gandhi University of Health Sciences, Bangalore** for the project on “Synthesis, Anticancer & Antitubercular evaluation of some novel indazole derivatives”, for the year 2009-10.
- **Dr. Shirishkumar D. Ambavade and Ms. Padmashree**, Department of Pharmacology received project grant from **Rajiv Gandhi University of Health Sciences, Bangalore** for the project on “Evaluation of toxicological studies of Butylated Hydroxy Anisole”, for the year 2010-11.
- **Dr. A.R.Shabaraya and Mr. Viresh K.Chandur**, Department of Pharmaceutics received project grant from **Rajiv Gandhi University of Health Sciences, Bangalore** for the project on “Pharmaceutical studies of Drug Eluting stents using derivatized Bio-Degradable polymer blends”, for the year 2010-11.
- **Dr. E.V.S Subrahmanyam and Mr. Sushant S. Pande**, Department of Pharmaceutical Chemistry received project grant from **Rajiv Gandhi University of Health Sciences, Bangalore** for the project on “Chemoselective reduction of nitrile group economic and green approach”, for the year 2010-11.
- **Mrs. Padmavathi P. Prabhu and Mr. Arvind Pai**, Department of Pharmaceutical Chemistry received project grant from **Rajiv Gandhi University of Health Sciences, Bangalore** for the project on “Synthesis and in vivo antidiabetic activity studies of some Quinazolinones derivatives”, for the year 2010-11.
- **Dr. E.V.S. Subrahmanyam & Mr. Sushant Pande**, Dept. of Pharmaceutical chemistry received research grant under research Promotion Scheme (RPS) from **All India Council for Technical Education, New Delhi** during the financial year 2010-11 for the project entitled “Synthesis of Benzimidazolocoumarin Derivatives by Novel Methods & Evaluation for Anti-inflammatory & Anticancer activity”.
- **Dr. A.R.Shabaraya** Department of Pharmaceutics received Research grant from **Rajiv Gandhi University of Health Sciences, Bangalore** for the year 2011-12.
- **Dr. A.R.Shabaraya & Mr. Krishnananda Kamath K** Department of Pharmaceutics received Research grant from **Rajiv Gandhi University of Health Sciences, Bangalore** for the year 2013.
- **Dr. E.V.S Subrahmanyam and Kumar Prasad**, Department of Pharmaceutical Chemistry have received Research grant from **Rajiv Gandhi University of Health Sciences, Bangalore** for the year 2013.
- **Mr. Ashoka Shenoy, M & Mrs. Padmavathi P Prabhu** received research grant from **Rajiv Gandhi University of Health Sciences, Bangalore** for the year 2014-15.
- **Dr. A. R. Shabaraya, Dr. E.V.S Subrahmanyam, Dr. U Srinivasa & Dr. Karunakar Hegde** have received Research Grants for from Rajiv Gandhi University of Health Sciences, Bangalore for the year 2015-16”.
- **Mr. Viresh K Chandur** Department of Pharmaceutics received Research Grants for from Rajiv Gandhi University of Health Sciences, Bangalore for the year 2016-17”.
- **Dr. Kumara Prasad** Department of Pharmaceutical Chemistry has been received Research Grant for from Rajiv Gandhi University of Health Sciences, Bangalore for the year 2017-18”.
